1471	Master Replicas	Master Replicas Millenium Falcon Prototype built, assembled, and painted by Dean Dymerski, Dean was asked to produce 3 paint masters to be used to reproduce the production of the Falcons. Dean produced Chewie and Ford in the cockpit in only these three, the production run did not have these. As part of the payment, Master Replicas allowed him to keep one of the three paint master Falcons. This is the one he kept and then sold. Included with this
